

Upcoming Schedule Changes Due To Airspace Closure

Dear valued Trade Partner,

We hereby inform you that Effective 22 June, 2025 due to the ongoing situation in the region, a number of Qatar Airways flights have been rescheduled to minimize disruption across the airline's global network and, in some cases, the revised departure times may be **earlier** than originally advised.

Passengers are urged to verify their flight departure times via qatarairways.com or by using the **Qatar Airways mobile app** ahead of travel to ensure a seamless journey.

Should the travel plans of your customers be significantly affected by the schedule changes, please refer to our schedule change policy available on [Trade Portal](#) and rebook flights on your own if applicable.

Guidelines for confirmed 157 tickets on QR flights to/from Iran, Iraq, Jordan, Lebanon and Syria, where passengers wish to change their plans, can be reviewed [here](#).

The safety of our passengers and crew remains our highest priority and Qatar Airways fully complies with international aviation regulations for safe aircraft routes.
