

## Designed for your comfort: Lufthansa Allegris Business Class

Dear Marc,

All the important booking  
information

**Lufthansa Allegris** means more individuality and more comfort – and that's exactly what's reflected in the reimagined **Business Class**.

Passengers have many options to make their journey as individual as they are. **Five different seating options** are specially tailored to the individual wishes and needs of your customers.

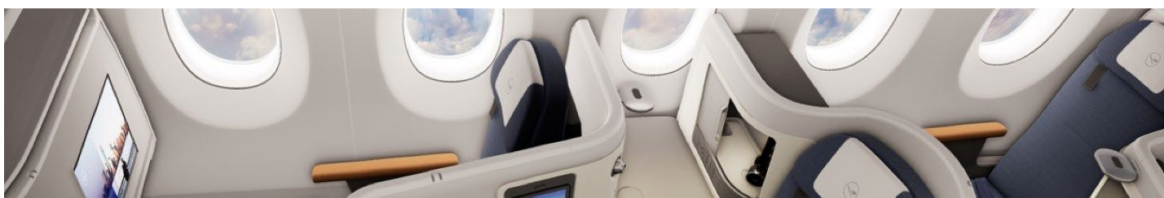

This means that every flight is even more comfortable – with more choice and flexibility for Business Class passengers.

## A variety of seats: more options

Five seating options in Business Class offer the greatest freedom of choice. The **Suite** guarantees privacy with high, closeable partitions. The **Privacy Seat** offers peace and quiet by the window, while the **Extra Long Bed** offers plenty of extra space for sleeping. The **Classic Seat** combines ergonomic design with an open lounge atmosphere – always on the aisle with a flexible privacy screen, lots of storage, and space to work. The **Extra Space Seat** offers an extraordinary amount of space.

### The wide-ranging features of Business Class

For individual comfort: **all-aisle access**, **ergonomic seats** with headrests and lumbar support, **10-inch tablet** to control seat, lighting, and entertainment, **27-inch, 4K monitors**, **wireless charging**, **power sockets**, **bluetooth**, and **lots of space to work**, plus a **bed that's at least 2 m/6ft 7in long**.

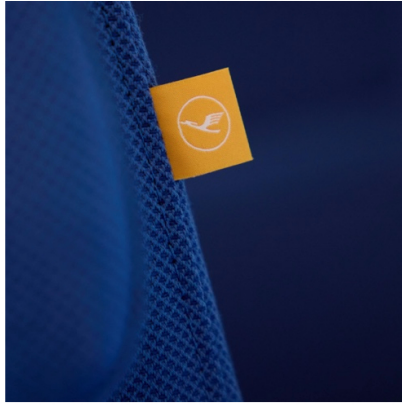

*More privacy, more comfort, more options – for a travel experience that's as individual as your customers.*
