

Dear Trade Partner,

Fly to Thailand with Etihad

Etihad Airways has established a strong presence in Thailand, offering direct flights from Abu Dhabi to two of the country's most popular destinations: Bangkok and Phuket. Bangkok, the bustling capital, is renowned for its vibrant city life, rich culture, and world-class shopping, while Phuket is famous for its stunning beaches and lively island atmosphere. These well-served routes provide travellers with convenient access to both urban excitement and tropical relaxation.

Building on this success, Etihad is expanding its network in Thailand with the introduction of two new routes: services to Krabi will commence on **9 October 2025**, followed by flights to Chiang Mai starting **3 November 2025**. These new destinations will enhance connectivity and offer travellers even more opportunities to explore Thailand's diverse natural beauty and cultural heritage with ease and comfort.
