Dear Business/Travel Partner,

As January draws to a close, IndiGo is pleased to share that we have already started the year on a very positive note. We extend our sincere thanks to you and your teams for your continued support and partnership as we move confidently into 2026.

We are delighted to highlight the launch of **new non-stop connectivity between Europe and India**, with more exciting routes coming soon.

IndiGo now operates **non-stop flights three times weekly from Athens to Mumbai**, alongside **three weekly flights from Athens to Delhi**.

These services are already enhancing travel options between Europe, India, and beyond—offering greater accessibility and flexibility for **leisure travelers, corporate customers, and marine/offshore passengers** alike.

Are you looking for specific fares or availability?

Are you missing India-bound opportunities?

Or are you, as an **(NON)-IATA agent**, still unable to book IndiGo and issue tickets via **BSP**?

If so, we encourage you to contact your **local IndiGo Sales Account Manager**, who will be happy to support you and ensure you can fully benefit from these new routes—while staying informed about **additional route launches coming soon**.

With warm regards,

*IndiGo – Sales Team Benelux*
