## **NEW TAP CABIN – REMINDER**

### **Bookings and ticket issuance in classes W, S and K**

**Dear Partner,**

We would like to remind you that, as part of the **New TAP Cabin** preparation, from 12 January, **booking classes W, S and K** will become unavailable for sale on flights departing from 31 March 2026 onwards, across the entire TAP operation.

#### **Actions required on bookings:**

**1. From 12 January, ticket issuance will be required for all pending bookings in booking classes W, S and K, for flights departing from 31 March 2026 onwards.**

**2. Until 19 January, 23:59,** all bookings made in classes W, S and K, for flights departing from 31 March 2026 onwards, must be ticketed.

**Note:** For bookings with special Time Limits, original TDC will be respected

#### **On 20 January:**

- **Bookings with a ticket issued, for flights departing from 31 March 2026 onwards,** will be automatically adjusted to the next higher booking class, where applicable, and the tickets will be automatically revalidated. The fare and all other ticket conditions remain unchanged.
- **Bookings without a ticket issued,** for flights departing from 31 March 2026 onwards, will be cancelled due to lack of ticketing.

We strongly recommend close attention to the management of pending bookings in the above-mentioned classes in order to avoid automatic cancellations.

**Thank you for your cooperation!**
