Dear Partner,

Qatar Airways has published its latest revised schedule, reflecting the gradual increase in flights to and from Doha. The latest update, valid until 15 April 2026, provides additional frequencies to more than 90 destinations across Qatar Airways' global network.

All flights to and from Doha continue to operate through dedicated flight corridors. These routes are established in close coordination with the Qatar Civil Aviation Authority.

**For details on flights departing to and from Doha until 15 April visit our trade portal.**

Your clients who currently hold a confirmed booking on a flight to one of the destinations listed in the new schedule will be contacted with new flight information. Please ensure your clients contact details are correct and updated.

Your clients are kindly asked not to arrive at their departure airport unless they hold a valid, confirmed ticket for travel.

Please note: Flight schedules are subject to change or cancellation due to operational, regulatory, safety, or other circumstances beyond our control.

Our teams are doing everything within the current constraints to ensure our passengers reach their destinations. We apologise for any inconvenience caused during this period of disruption and thank you for your patience and understanding.

The safety and wellbeing of our passengers and crew remain our highest priority.

As a continuing measure, please be reminded that if your clients have a confirmed booking with a travel date between 28 February and 15 June 2026, they are eligible for:

- Complimentary date changes to a new travel date up to 31 October 2026 when rebooking on flights operated by Qatar Airways, subject to availability and fare seasonality, or
- Refund of the unused ticket value. Please note that refunds may take up to 28 days to be processed.

Schedule changes will continue to be communicated via your GDS or NDC aggregator.

We keep updating our passenger guidelines, agent

rebooking decision flow, FAQs and the STPC on a dedicated page on [Trade Portal](#) to help support your teams during this period.

Yours sincerely,  
**Qatar Airways**
