FOUNDING MEMBER OF STAR ALLIANCE

Welcome to the very first edition of the THAI e-News for Dutch travel trade. As you may have heard, Thai Airways is returning to Amsterdam with a daily non-stop service between Amsterdam and Bangkok, commencing 1 July 2026. After an absence of 28 years, we are delighted to reconnect the Netherlands with Thailand and THAI's extensive network across Asia and beyond.

In this monthly newsletter, we'll keep you up to date with the latest news, product updates, promotions and everything you need to help inspire your customers.

We hope you enjoy reading this first edition, and we look forward to sharing more with you next month.

ROYAL SILK

Seat offering optimal insulation and direct aisle access regardless of your seat on board.

A seat that transforms into a truly comfortable bed, enhanced by the addition of a mattress topper for an optimal rest experience.

Enjoy an immersive entertainment experience with premium Marshall headphones and a 40cm screen, giving you access to a wide selection of movies and varied content throughout the flight.

ECONOMY

The 3-3-3 configuration on the A350 offers a balanced and pleasant cabin, facilitating movement and enhancing the feeling of space for a comfortable journey.

Thanks to a 28cm individual screen and a seat that reclines up to 122°, enjoy clear and immersive entertainment to pass the time with ease.

With a spacing of 81cm between seats and a width of 46cm, each passenger enjoys optimal comfort, offering more legroom and a pleasant seating experience throughout the flight.

In Economy, "Street to Sky" brings Thailand's iconic street food right to your seat. Enjoy authentic, flavorful dishes like Pad Thai or fragrant curries from the moment you take off.
